Reciprocity Overview

ASHI accepts some credentials issued by other organizations whose instructional materials are evidence-based. We also recognize some forms of medical and other experience in combination with documented teaching experience. For teaching the wilderness programs, ASHI also requires a reasonable amount of wilderness experience (recreational or professional). Please see the chart below for a list of our standard reciprocity arrangements:

<i>Credential</i>	<i>Corresponding ASHI Instructor Type</i>
AHA BLS Instructor initially certified before 01 June 2006 ²	BLS Instructor (238)
AHA BLS Instructor initially certified after 01 June 2006	BLS & First Aid Instructor (184)
