

BECOME AN INSTRUCTOR

1

ATTEND

an AVERT Instructor Development Course (IDC).

\$695* COST

This IDC teaches you how to conduct the dynamic AVERT program in just one day. No previous training, law enforcement or medical background is necessary.

2

INCLUDED

with your IDC purchase is everything you'll need to start conducting your own classes.

AVERT INSTRUCTOR TRAINING KIT:

- 1 TAC+PAC
- 10 distraction objects
- 15 training tourniquets
- 15 wound simulators with gauze
- 1 orange training rifle
- 1 orange training handgun
- 1 large backpack style bag

AVERT INSTRUCTOR POLO SHIRT

FIRST-YEAR AVERT INSTRUCTOR AUTHORIZATION FEE

3

TEACH

the AVERT program to organizations in your area.

Workplaces, healthcare facilities, schools, government entities and places of worship are just some of the organizations that need active violence and emergency bleeding control training with AVERT.

4

EXPAND

your business by offering TAC+PACs and joining the AVERT NTS network.

INCENTIVES INCLUDE:

- Invitation to apply to be in our AVERT National Training Solution (NTS) network
- An affiliate program for Instructors who offer TAC+PAC bleeding control kits
- Private AVERT Instructor forum with direct access to program experts and the AVERT Instructor community.

5

DELIVER VALUE

by providing this dynamic training to organizations and your community where it is needed most.

As an Authorized AVERT Instructor you can market your training services to organizations and people within your community.
